España Guitars

España SL-4 Grand Concert Size Classic

BODY LENGTH 18 $\frac{3}{4}$ " ; SCALE 25" ; 19 FRETTS ; 2" NECK.

España's finest, in the highest traditions of the luthier's art. A guitar for the classical soloist or folk player who has the technical proficiency to command an instrument that has so much to say, and says it so well. This beautifully crafted classic has a premium quality white spruce top, back and sides of perfectly matched rosewood, a head-piece of rosewood veneers, and a rosewood fingerboard on a 7-piece laminated mahogany neck. Its top and back edges are bound with natural color maple, inlaid with wood marquetry. Machines are gold-plated and engraved, with deluxe pearl buttons. The entire instrument is hand-polished in a most elegant satin finish. NYLON STRINGS.

España SL-16 Grand Concert Size Classic

BODY LENGTH 18 $\frac{3}{4}$ " ; SCALE 25" ; 18 FRETTS ; 2" NECK.

Creating an atmosphere of musical warmth and color, an exquisite España that responds to your lightest touch in the singing treble, answers with forceful assurance in the sonorous bass strings. The smooth grain white spruce top of this unusual España classic is combined with back and sides of figured blonde maple for an effect of quiet splendor. The fingerboard is of carefully selected rosewood, on a 7-piece laminated mahogany neck. A fine mahogany headpiece, gold-plated engraved machines with deluxe pearl buttons, and rosewood-bound top and back edges around the body are special touches of España elegance. The entire instrument is mirror-polished by hand to a high lustre. NYLON STRINGS.
