for above 15 gns.
No. 5255. Electro-acoustic 6-String 66 gns. **No. 5980.** Soft-shaped case .. £3 12 6

JUMBO & ELECTRIC JUMBO 12-STRING

Hear the exciting 12-string electric and acoustic models favoured by blues and folk singers alike! The special deep sound chamber gives superb volume and tonal sound qualities. The electric model has a high sensitivity pick-up with separate volume and tonal controls. The neck is slick and slim with a slight camber for easy playing action, and fitted with a truss rod for quick, accurate adjustments. Fine quality machine heads permit spot-on tuning. An impressive instrument with a big future. Body Dimensions: $20\frac{1}{2}'' \times 16\frac{1}{2}'' \times 4\frac{1}{4}''$.

No. 5253. Acoustic 12-String .. 68 gns. **No. 5908.** Plush-lined case for
above 15 gns.
No. 5254. Electro-acoustic 12-String 78 gns. **No. 5980.** Soft-shaped case .. £3 12 6
