

163 GOLIATH SUNBURST JUMBO

LTS.4 GOLIATH 12-STRING JUMBO

*Levin*

### LEVIN JUMBO GUITARS

Over the past years, Levin Jumbo guitars have met with great international success. The reason is simple: workmanship and musicianship give them the response top players demand.

#### GOLIATH SUPER JUMBO

A Western of the highest international class. The sound is clear and strong with excellent sustaining qualities. The instrument is extremely easy to play and has many exclusive features, including individual adjusting of the string-level. Top of selected Alpine spruce in natural colour, sides and back of flamed darker maple. Narrow, handsome neck of mahogany. The neck is adjustable. Rounded fingerboard of hard ebony. Bridge of rosewood. Genuine mother-of-pearl inlays in the head and position dots. Pearloid. Beautiful inlays around the sound hole. White cover around the body and along the fingerboard. Fully covered single machine heads with metal buttons. Highly polished.

No. L.174 (improved old L.T. 18) each 97
