

Levin

MASTER GUITARS
are hand-made of solid, rare woods.

Levin guitars are made by master craftsmen, guitar makers who know the art of charming the sound out of the wood. You benefit from this combination of master artisans and the use of solid, rare woods.

They are the secret of how real Levin guitars are made.

LEVIN
BOX 8968,
S-402 74,
GOTEBORG,
SWEDEN.
Head Office for
The CF Martin
European
Organisation.
