

10 års garanti

Nicely translated this means you have a 10-year warranty that protects you against any fault or defect in materials that occurred during the manufacture of our fine Levin instruments.

Sort of gives you a warm comfortable feeling doesn't it.

Levin guitars are offered in Western, Dreadnought and Classic models and each is made of the finest mahogany, rosewood and spruce available.

The solid spruce tops are at least 100 years old and on the classic models close to 400 years. That's not exactly rushing things is it.

Before you buy the guitar you thought you were going to buy, see and hear the Swedish Mind-Changer.

Handmade in Sweden and brought to America for you by the CF Martin Organisation.

That should give you another warm feeling.
